Sutton Kindergarten Registration

SUTTON - Registration for youngsters entering kindergarten in September of 1988 will be held on Monday, April 11, and Tuesday, April 12 in the Sutton Kindergarten building.

Youngsters who will be five (5) years old by October 15, 1988 are eligible for kindergarten (all youngsters born in the months of January through October 15th of 1983).

Please bring your child's birth certificate and Immunization records to registration. It is necessary for children to accompany their parents at this time as a Screening Clinic for speech and language skills will be conducted. Appointments have been made through the mail. If parents have not received information, they are asked to call 865-6801 or 865-3764 to make an appointment.

Millbury Public Schools to Conduct Screening

MILLBURY - The Millbury Public Schools will be conducting an extensive outreach screening for four-year-old children. The purpose of the screening is to identify children with speech and language problems. The screening will involve a brief check of each child's development in the areas of speech, language, and other development learning skills.

The screening will take place during school vacation week, April 19-22. Parents of four-year-old children not scheduled to enter Kindergarten will be receiving a letter regarding appointment times.

If you have any questions, contact the Office of Special Services at 865-9503.

CALENDAR

TUESDAY, APRIL 5

Millbury Selectmen's Meeting Digest

Lack of DEQE Action on Transfer Station Proposal Forces Recommendation for Indefinite Postponement of Article

By Edward J. Cooney

March 22, 1988

MILLBURY - The Selectmen's Meeting began with minutes for March 15 being deferred to next week to allow time for a review by board members.

- Chairman Jude Cristo then recognized Highway Surveyor Joe Chase. Chase presented a request for Chapter 90 funds to complete an overlay of asphalt on a portion of West Main Street from the "Nook" at Singletary Ave. to the state highway at Brierly Pond. This will complete the last section of West Main Street to be resurfaced. The board approved on a 3-0-1 vote with Selectman John Donnelly abstaining.

Chase also recommended that an overlay

and sidewalk work on Waters Street be delayed until after the Annual Town Meeting, since there is an article for drainage work in the warrant. He said that some work could be done on Cherry and Grove Streets in the meantime. The board concurred.

Chase reported that he was informed by R.H. White Construction Co. that the paving of a short section of Millbury Avenue, about 50' past the pumping station, was questionable at this time, due to the upcoming reconstruction. It was suggested that a short strip of Howe Ave. be done with the asphalt. The board agreed.

Chase also said that R.H. White will be updating him shortly on future plans for the rest of Millbury Avenue, noting that they have about 20 crossings left to dig. Chase informed R.H. White

that temporary patch work using Sylvex will have to be replaced, trenches re-graveled, compacted, and hot top used as a finish over the trench work. He told board members that work will start after April 4th, when the asphalt plant will reopen for the season.

- In his weekly report to the board, Town Administrator Earl Chase reported that the Finance Committee would like to meet with the board to go over their concerns regarding the large number of money requests in articles to be submitted to the annual town meeting.

Cristo asked if the Finance Committee was asking for a consideration of priorities. It was noted that Dick Dwinell, of the Transfer Station Study Committee, had stated today that the committee was recommending indefinite postponement since they had not received DEQE approval of the proposal submitted to them quite some time ago. Dwinell stated that there would not be enough time to go out for bids prior to the town meeting in May, and he suggested that a special town meeting could be called later.

Cristo noted that the indefinite postponement might solve some of the Finance Committee's concerns. He also said, "That is their decision - to recommend what to fund or not to fund. I don't want to pick apart other departments' funding."

Selectman Donald Gauthier then said, "They (Finance Committee) are looking for us to assist them in setting priorities."

INSURANCE ISN'T JUST A POLICY.

It's people
helping people.

Insurance is a lot more than just rates, premiums, and coverages. It's people helping other people.

At the Protector Group, we understand that. We know that to be a good insurance agency, we have to be a good listener. We believe that to provide the proper coverage to a person or a business, you must take the time to understand that person's or company's needs.

It's these simple truths that have helped us grow to be one of the largest independent insurance agencies in Central Massachusetts. Because when you know the names and faces behind the policies—as we do—you work a little harder to protect them.

Introducing the

Transformer Mortgage

Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now or lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the

first anniversary and the fifth anniversary of your loan, or lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

If you want the Fidelity Transformer Mortgage, just stop by or call any one of our offices.

* Rates subject to change without notice. Interest rate is adjusted annually, based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year, as made available by the Federal Reserve Board, plus the applicable margin. The rate of interest on this loan is 7.75%, which reflects a discount of 1.375% from the regular rate which would have been in effect using the most recently published value of the index for this product plus the pre-selected margin of 2.50%. The discounted rate will be available for one year only. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum 10% down payment.

Board member Wynton Adams stated, "To pass judgement on other articles is the Finance Committee's task. We might contest articles at the Town meeting. It is not appropriate for us to judge. It is the Finance Committee's task to do that."

Selectman Roland Lachance then moved to support indefinite postponement of the Transfer Station article. The motion was approved on a 5-0 vote.

Lachance added that he concurred with Adams. "It's their job; it's what they are charged with. It's up to them. They do the recommending. I don't feel it's necessary to meet."

Cristo suggested that Chase inform the Finance Committee that they would meet with them to listen to their concerns but would not prioritize other departments' articles.

In another matter, Cindy Burr, of the Historical Commission, requested Cristo's signature, as Chairman of the Board of Selectmen, on a \$3,000 grant application to be matched with town funds. Ms. Burr indicated that she did not see a need for a special article at this time.

The board voted 5-0 to support the grant application.

Chase then noted that a rate schedule for services provided by Himmer Ambulance was available in the board's packets. Last week, Lachance had requested the rate schedule for review before finalizing a 5-year lease agreement for use of the town building on River Street.

Lachance explained that his reasons for requesting the schedule involved a personal situation where ambulance service from Himmer was requested. He noted that the rate schedule showed a coach service rate which was lower than the rate charged for service to and from St. Vincent Hospital; the rate charged was \$380. "I could

take Amtrack to and back from Florida, fly to Los Angeles and back for less money than it takes to go to St. Vincent Hospital and back. Why pay top dollar? Does anybody know? Or do they get top dollar? I don't know," said Lachance.

Cristo replied, "If they (Himmer) don't advertise, people don't know it (the rate)."

Adams added that it was hard to judge, saying, "We don't know criteria."

No action was taken on the lease agreement.

At 7:30 p.m., a Public Hearing was held on a request by New England Tel & Tel and Mass. Electric for a pole location on Carlstrom Lane. Paul Gurney, representing New England Tel & Tel, noted that 7 poles are already in place and this would be the last pole on the street. The board approved on a 5-0 vote, with no opposing view from the audience.

At Lachance's request, Gurney agreed that company officials would meet with Lachance and Chase to review several poles on Carleton Road that are jutting out into the street. Lachance maintained that a dangerous situation is developing.

The board then approved a request from the American Legion for "Poppy Days" on May 5, 6, and 7.

Chase informed the board that present Safety Officer Ed Perry would complete this year as Safety Officer but would not continue in that position next year. The position carries a stipend of \$900 per year.

After some discussion, the board voted 5-0 on a motion by Lachance to post the position.

Chase then reported that a complaint was received about junk cars on Leslie Lane. He stated that he checked with Police Officer Kelly who is pursuing the matter.

In another matter, Chase stated that there has been no movement concerning the possible acquisition of Camp Marion on Lake Singletary. Lachance suggested that the Sutton Conservation Committee be made aware that initial discussions, which were conducted in executive session, were not intended to slight them. Chase had reported that the Sutton Committee had indicated they were not made aware of the discussions.

At 7:45, the Personnel Board met with board members to discuss their concerns with the salary issue surrounding the Dog Officer and Assistant Dog Officer positions.

Cristo started the discussion by emphasizing the Board's interest in developing job classifications for those positions which are not addressed by the collective bargaining contract. "We are talking about five or six positions with which we would like to do something. Maybe hire a consultant through your board to do something like this," said Cristo.

Craig Coppola, Chairman of the Personnel Board, agreed with Cristo, saying, "It is not out of line for us to do something like that."

Cristo added that the labor counsel could work together with the personnel board to save money and do a professional job at a reasonable cost.

Suggested during the discussion, were job classifications for wages and benefits for the following: Town administrator, Police Chief, Veteran's Agent, Selectmen's Secretary, night-time secretaries for boards, Director of Council on Aging, Director of Youth Activities Center, and Library Director. Chase also suggested the possibility of including the Fire Department and adding to the list.

MILLBURY - How many artists does it take to complete a mural depicting the heritage of the Millbury community? If the artists are talented and cooperative Shaw Middle School students, twenty will do nicely.

The students, under the direction of well-known East Boston Artist Stoney Conley and Middle School Art Teacher Kathy Williams, have spent the last five weeks completing the mural.

The mural portrays many of the town's historic landmarks including some which never survived into the 20th century.

The youngsters have drawn, cut out, painted, and attached their drawings to two 4 x 8 foot panels which comprise the mural. In addition,

they have added their own personal touches to the landscaping. When finished, the mural will be displayed in the school courtyard and at the planned Spring Arts Festival on the Common.

The twenty young artists are: Grade 4 - Jennifer Harris, Kathleen Doherty, Jason Fay, Keith Mongeau; Grade 5 - Jeff Perry, Franklin Page, David Nielson, Stephanie Weidman, Tami Taylor; Grade 6 - Erin O'Leary, Elizabeth Crehan, Andrew Mason, Adam Pojani, Terry Tellier, Scott Singer; Grade 7 - Christine Borgman, Leanne Brown, Peter Caruso, Christopher Cristo, and Jesse Garcia.

The project was funded by a \$1,300 grant from the Lottery Arts Council.

Shaw School Named Finalist in National Awards Program

MILLBURY - The Raymond E. Shaw Middle School has been named a finalist in the second annual Take Pride in America National Awards Program. The announcement was made by Dr. Alfred J. Sylvia, Superintendent of Schools. Take Pride in America, a public awareness campaign that seeks to reduce abuse and promote wise use of public lands and resources, is supported by nine federal agencies, 43 states, two U.S. territories, and numerous private sector groups.

The Shaw Middle School and 208 other schools and organizations were selected from over 540 nominations from 48 states and the District of Columbia. The Chairman of the Blue Ribbon Panel of Judges, Interior Secretary Don Hodel, Agriculture Secretary Richard Lyng, and Education Secretary William Bennett, announced that finalists were selected in 12 categories. The Blue Ribbon Panel of nationally known officials will select from among the finalists and announce winners by late spring.

Carole Chiras, a spokesperson for the

Shaw Middle School, commented on the school's pride in being selected as a finalist. "We are proud to do what we can to protect our public lands and our country's great heritage. This awards program demonstrates to us and to others that good stewardship does not go unnoticed, and is important to the future of our resources."

Teachers and students at the Shaw Middle School represent the spirit that has made this country great. In their volunteer efforts, they have selflessly devoted personal time and energy to protect and improve our public lands for generations to come. "They have helped to make a difference," said Interior Secretary Hodel, who chaired the Blue Ribbon Panel for last year's program. "We hope others will follow the example set by students and staff of the Raymond E. Shaw Middle School."

Mrs. Chiras will be invited to Washington, D.C. this summer to be recognized and honored in the second annual Take Pride in America national awards ceremony.

Men's Club Annual Pancake Breakfast

MILLBURY - Our Lady of the Assumption Men's Club will be holding its 6th Annual Pancake Breakfast on Sunday, April 10 in the Church hall. Breakfast will be served from 7 a.m. through 11:30 a.m.

The menu will consist of the following: orange juice, pancakes, sausages, eggs, coffee, milk and tea. The breakfast will be served by members of the Men's club. Seconds will be offered to anyone who is extra hungry (Dick: save an extra helping of pancakes for Alec - ed.). Baked goods will be sold at the breakfast. The cost is \$2.50 per person for adults and \$1.50 for children.

Millbury COA Planning Trip to Northampton

MILLBURY - The Millbury Council on Aging is planning a trip to Northampton on April 7th to see the musical "International Showboat" and to enjoy a "Feast." The cost is \$29.50 per person, complete. The menu will include all of the following items (this is not a buffet!): Fresh Fruit Cup, Cheese and Vegetable Tray, Tossed Salad, Fresh Bread and Rolls, Baked Stuffed Filet of Sole with Crabmeat and Newburg Sauce, Yankee Pot Roast Jardiniere, Fresh Roast Turkey with Chestnut and Sausage Stuffing, Fresh Vegetables, Fresh Mashed Potatoes, Baked Indian Pudding with Vanilla Ice Cream, Coffee, Tea or Milk.

Reservations and payments must be made by March 29th at the Senior Center.

Day of Renewal

STERLING - The Christ Center, Rte. 140 in Sterling, will host a Day of Renewal on Saturday, April 16, from 10 a.m. to 5 p.m. at the Lighthouse Restaurant, Rts. 9 and 20 in Shrewsbury.

Evangelist Brennan Manning will be the featured speaker. The day's theme will be "Where Have All the Prophets Gone?"

For more information, call the Christ Center at 422-7461.

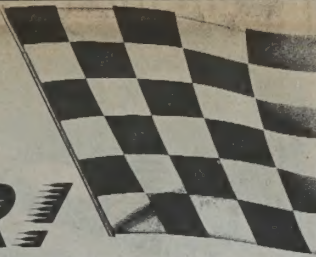

RABIES CLINIC

MILLBURY - The Millbury Board of Health will sponsor a Rabies Clinic on April 9, at the Elm Street Fire Station at the following times:

DOGS - from 10:00 a.m. to 11:00 a.m.

CATS - from 11:00 a.m. to 11:30 a.m.

Do not bring your dog and cat at the same time. All animals are to be restrained. The cost will be \$4.50 for each animal.

Sutton Planning Board entertains discussion for 118-unit subdivision and 160-unit condominium development

By Jim Douglass

SUTTON - The March 21 Planning Board meeting opened with all members present. Mail was reviewed and minutes of the March 7th meeting were approved.

Intermingled with the beginning of the proceedings, was a discussion of Town Counsel's decision regarding the development of "Clover Hills East." The project had been delayed while the question of service from the Whitinsville Water Company was pondered. Town counsel decided that Clover Hills East is in the Whitinsville water district and thus can be serviced by the company. This left the board to ask counsel to notify them in writing of the decision.

Other business included the following:

- A preliminary discussion was held with Kenneth O'Dell, regarding a 118-lot single family subdivision on Eight Lots Road off Sutton Road. Called "Cranberry Ridge," in deference of the old cranberry bogs once located in the area, the development will be built by the Humarco Corporation with the realty trust called Sutton Acres.

The board's main objection to the plan during the initial discussion was a potential problem with additional traffic flow on the relatively unimproved road. Alternative road paths to the de-

velopment were discussed, with O'Dell telling the board that his company was "in the process of a traffic study." With the board's concerns expressed, the developers intend to submit their plan to the board in the near future.

- An advertisement for the new position of secretary to the Planning Board was discussed. The job will entail attending planning board meetings, with some additional hours and duties. The new position will be advertised in local papers.

A conflict with the Special Town meeting and a scheduled Public Hearing by the Planning Board was discussed. The Planning Board hearing, originally slated for April 4th, concerns zoning changes. The public hearing has been rescheduled to April 12.

- A plan for the Burnap Industrial Park was re-recorded by the board. The park, owned by Jack Virgilio and located off Rte. 146, had already been endorsed by the board but needed to have a three degree deflection in the property line corrected. The plan was thus re-signed and re-dated by the board.

Appearing before the Board on behalf of his project, and in a jovial mood, Virgilio announced that he had just purchased the adjoining J.J.'s Lounge, closed it down, and plans to auction off the "costumes." He also related that a "very

prominent citizen" had contacted him and wanted to rent the establishment for his brother's stag party. Thus, J.J.'s might see some final action before its slated destruction to make way for a mini-mall that will front the industrial park.

- A preliminary plan review was held for "Deer Hill Estates" off Chase Road. The review took place with Bill McGrath of Cox Engineering and covered this 19-lot subdivision plus a planned 160 condominium development that is proposed to adjoin this subdivision. Though the plans for the 160-unit condominium development were not submitted at this time, the proposal was discussed. The concerns expressed covered the condition of Chase Road and its ability to handle the traffic of the 19 lots and the subsequent condominiums.

- "Clover Hill East" developers, Guerriere and Halnon, appeared before the board to have their definitive plan reviewed. The board was not ready to review the plan as they first wanted to attend a Northbridge planning board meeting the following night. The Northbridge meeting concerns the development as it will lie both in Northbridge and in Sutton. The definitive plan review was thus postponed until next Monday night.

- A preliminary plan for "Mark's Way" off Blackstone Street was discussed. The 9-lot development owned by Dana Gravison Inc. was criticized by some members of the board for its twin cul-de-sac design which would be shaped by a "T" and be longer than the 500 feet allowed for such a design. This particular design was seen by some as dangerous in that an obstacle, such as an overturned truck, could block access of emergency vehicles to houses behind the blockage.

- Questions were heard from Kevin Kieler regarding his plans to extend Dudley Drive and build two houses on the road. His questions were answered by the board, and advice was offered for him to seek local expertise on the matter.

The meeting adjourned at 10:40.

Cristo noted that elected positions are evaluated by the voters. "It is separate to a degree. The town meeting sets salaries. The voters will decide if they are doing their job well enough."

Adams moved that the matter be pursued through counsel, and that costs and sources of financing be studied.

Discussion then turned to the Personnel Board's recommendation for salary increases for the Dog Officer and the Assistant Dog Officer. The Personnel Board's recommendation differed with the Selectmen's discussion of a salary increase at last week's meeting.

After some discussion, the Selectmen voted approval of the Personnel Board's recommendation with a stipulation that the assistant dog officer be paid on a quarterly basis and that monthly reports be submitted by the dog officer. The board approved on 5-0 vote.

The new salary for the Dog Officer was set at \$9,555 and the Assistant Dog Officer's salary at \$3,000.

- At 8:10 p.m., the board met with Building Inspector Rene Morin and the Code Enforcement Department, including the Plumbing, Gas and Electrical inspectors.

After reviewing budget requests for the departments, discussion turned to the demolition of condemned structures.

Morin informed the board that letters have been sent to the owners of condemned properties in Town. In two cases, demolition permits were issued but the structures have not been demolished. He explained that under statutory requirements, a committee should be formed to investigate and pursue the matter through the courts. The fine for the non-conforming parties could be \$300 per day. Morin noted that in one case the fine could be \$7,950 to date, based upon a \$300 per day fine.

Board members strongly suggested that those persons who have not complied be taken to court.

Morin also indicated that the town could demolish the buildings and place a lien on the property. He stated that he had estimates ranging from \$19,000 to \$25,000 for the demolition of an existing condemned building.

On a 5-0 vote, the board supported Morin's suggestion to act through town counsel to bring the matter in each case to court.

- Chase reported that the engine replacement for the dog van would cost \$1,000 with an additional \$300 needed for other minor repairs.

The board approved a request for a transfer of funds on a 5-0 vote.

- On a 5-0 vote, the board approved a vacation day for Chief of Police George Brady.

- Chase reported that he received a request from Attorney James Cosgrove asking that the board consider acquiring a summary of a bill dealing with legislation on binding arbitration. The

cost of the summary would be \$210.00. The board decided not to pursue the offer since a copy of the original bill could be obtained.

- In another matter, a letter of resignation was received from the evening custodian stating that he would be leaving his job on April 1st. Chase stated that there were two possible applicants available for the position but that the job would be posted as required.

Board members suggested that the two applicants be interviewed next week, and that any other applicants could be interviewed later as they apply.

Under appointments, Chase informed the board that openings are available on the Industrial Development Commission, the Blackstone Valley Development Corporation, and the Valley Adult Counseling Services Committee.

Todd Miles was appointed, on a 5-0 vote, to the Blackstone Valley Development Corporation.

- Under "New Business," the board approved a request for a street opening for Commonwealth Gas at 19 Main Street to retire gas service.

175th Anniversary Update...

MILLBURY - The Executive Committee for Millbury's 175th Anniversary Celebration will meet at 7:30 p.m. at the Asa Waters Mansion, on April 5.

Bronze medallions, bearing the official logo of the anniversary, are now available at the Tax Collector's office at a cost of \$20.00 each. Also, the \$3.00 pins are still being sold at the same location. The proceeds from these two items will help to defray the cost of the anniversary celebration.

The Anniversary Ball will be held at the Sheraton Lincoln Inn, Worcester, from 6:00 p.m. to 1:00 a.m. on June 24; Prime Rib will be served. Dress is semi-formal, with suit and tie/tea length dress being acceptable, or period dress (1813). A getaway weekend for two to the Whitcomb Summit in North Adams, MA will be the prize for the Millbury couple with the best period dress. Tickets can be purchased at the Tax Collector's office. The price is \$30.00 per person.

Robert Williams is chairman of this event, and co-chairpersons are Christine St. Germain and George Kane.

HERE... THERE... EVERYWHERE

Bits 'n Pieces

... Joe Morin

HI FOLKS! 'Tis your old pal back again with a little news on here and there items, some good, some sad. We will try to keep this column on a happy note, that's how we like it. There's enough sadness in the world without me adding to it...and away we go!

I WOULD really like to start off with a Pee-Wee Salute to those IRS workers who have been giving out erroneous information to those helpless, downtrodden taxpayers calling in for help. If those IRS employees have no idea what's going on, what the heck are they doing working there? Dumb-dee-dumb-dumb!

YA NEVER KNOW department. A woman celebrating her birthday was burned and temporarily blinded by a snail that **EXPLODED** on her plate at a restaurant in Syracuse recently. Now, who would ever expect a snail to explode! Evidently the snail was blown apart by the pressure of steam building up in an air pocket. Good Grief! Escargot a la Boom!

UNUSUAL - but beautiful. We were startled during the past Olympics when a Russian skater did his routine and we heard the "Ave Maria" being played. Evidently that's what he chose; it was beautiful to watch and hear...**ALSO**, when the Red Army Band visited the Pope in Rome, they chose to play the "Ave Maria" for the Holy Father. Interesting, unusual.

A SIGN in a venetian blind shop, "It if wasn't for us, it would be curtains for everybody!"...**YOU WANT** something else to worry about besides too much bacon, milk, liver, and eggs being on the no-no list? Now we have to worry about Radon being in our cellars. Radon is a gas leaking from underground - and then there's Methane gas. A lot of this comes from, now hear this, cow-droppings! This methane gas rises to the high-heavens, penetrating the ozone layer, lets more of the sun's rays flow through which in turn heats up the icecap causing world-wide flooding. Now put that in your pipe and smoke it!...Good Grief!

PRIORITIES - Boy, have we lost our sense of priorities. It was sad to read about that driver who was fatally injured in an auto accident. He didn't have his seat belt on, but his pet Teddy Bear sitting next to him had his! Sad, but true!

EXCEDRIN HEADACHE No. 12...It was a big announcement. An aspirin a day would diminish ones chances of having a heart attack. Wow! The industry made a bundle on aspirin sales, still are. "Whoa" says the government. Now they're saying that those who take too many aspirins face the risk of stroke, stomach ulcers and a myriad of other problems. Who to believe? I say wear a bag of garlic around your neck and to heck with all those pills! Stick to chicken soup, works just as good, and costs a heck of a lot less...**YOU WANNA** hear something that will blow your mind? Remember we mentioned how much it costs for an ambulance ride from Franklin Street in Worcester to St. V's (\$370.00)? We found out that it would have cost me \$5,000.00 for a helicopter ride. Yupp! That's Five Thousand!

GARDEN GROVE, CA...We received a nice letter from Mrs. Catherine MacDonald (nee Lucas) of 10931 Acacia Pkwy, 324, Garden Grove, CA 92640, who reads our column and was very complimentary toward it. She would like to hear from former residents/classmates, Millbury High year 1934. We were glad to assist her in procuring a copy of a 1934 Yearbook. On her behalf, we thank the Millbury High School staff in helping us acquire the copy. We hope her journey down memory lane will be a happy one. God Bless You, Mrs. MacDonald!

NOT ONLY escargots explode. In Chicago recently, the police dispatcher received a call that there was a "bum" in the washroom of a bus terminal. The dispatcher thought the caller had said "bomb" and all hell broke loose. The fire department, the bomb squad, FBI, etc. all responded. That "bum" must have been one surprised cookie, what with all that attention!...**NOW HEAR THIS**. It's true. Funny, but true. We had some homemade baked beans left over one day, about a cup. Decided to feed my birds out there. Placed the beans in the bird grille...a blackbird swooped down...gobbled the beans...flew back to the tree...a minute later all birds in the tree flew to the four corners of the globe...implosion or explosion. Use your imagination. I kid you not! Ho-ho. Methane gas?

IS HE DAFFY?...A friend of mine is taking his wife to Atlantic City shortly, and had a friend of his purchase some "Rasslin" tickets. You know, Wrestlemania No. 4. He told his friend that he wanted ringside seats. His friend mailed back the tickets and a bill for \$300.00. Yupp! The tickets were \$150 per. Ya gotta be daffy or rich! I think he's daffy!...**SPEAKING OF DAFFYNESS**, I nominate all rasslers and Jim Swaggart to receive an Emmy for Best Acting Awards. They deserve it!

YOU'VE HEARD OF Freeze dried coffee. Now a company out West will, now get this, freeze-dry your pet, be it a dog, cat, even a horse. Freeze-dried, hard as a rock, will last indefinitely. Shown was one guy with his little freeze-dried pet propped up on the chair, beady eyes and the guy petting his "baby." Are we for real?...**COMMERCIALS**. How many commercials can they squeeze in a half-hour program. The day is coming whereby we will be seeing/hearing more commercials than the actual program itself. Switch to radio! Just as many. Catch WBZ between 6 a.m. and 7 a.m. **ALSO** when will WGBH-TV get back to regular programming. I'm sick and tired of seeing reruns. I've seen so many reruns of Julia and her kitchen and Leo Buscaglia, all reruns. Give us a break!

HARDup for Cash!...We see where the Christians in Russia will be celebrating 1000 years of Christianity. Most Christian leaders around the world have been invited with the exception of Pope Paul. You see, the Russian Orthodox Church leaders fear that his presence will take the glory/ notoriety away from them! Jealousy/distrust still exists. It's a sad commentary....

CABLE TV. Why are surrounding communities given more cable channels almost at the same cost we are paying! Some communities are receiving 40 to 50 channels, while we have the minimum and some duplicate channels. Maybe we should have waited or taken another cable system. We always seem to get the short end of the stick....**BORING.** The primaries are boring. All we see and hear is name-calling, none are speaking on the important issues, millions being wasted. Who to vote for? A lot of people are at a loss. We don't have much of a choice out there, do we?...**SURPRISED** as heck as we pulled into a gas station on Grafton Street in Worcester to check and air-up one of our tires. No air until you deposit 25 cents! Good Grief! What ever happened to that old adage, "Wherever you may be, let your air be free!" Or did that have another meaning. I'm not quite sure! Ha-Ha.

I HAVE TO TELL YOU this one. A dear lady was married four times. Her first husband was a millionaire, second was an actor, third was an undertaker and the fourth, a minister. Can we say that she married one for the money, two for the show, three to get ready, and four to go...?

WELL FRIENDS, 'tis time to bid you Adieu until we meet again. May this Holy Season of Easter be an inspiration to you and your loved

ones. May God Bless you always and keep you in the palm of his hands. Happy Easter Season to all!...

Your pal, Joe Morin

Sutton Senior News

EXERCISE CLASS - Do you want your life to be happier and healthier? The "Golden Years" exercise class is a safe, supportive class which combines all exercise components to music in a fun, group atmosphere.

The class is taught by a qualified instructor from Health-in-Motion, and costs only \$1.00 per class. Participants are given a health screening, blood pressures and pulses are taken, and everyone is instructed to go at their own pace. The class ends with open discussion and handouts to increase participants' knowledge of exercise, nutrition, and health as it relates to the older population.

Come spring into the fun - be good to yourself. Join us Mondays at 11:00 a.m. Classes are open to the public and are held at the Sutton Town Hall, COA, 3rd floor.

"THE KIDS OF CAMELOT" - On Wednesday, April 6, the students of the Sutton schools will present a play entitled, "The Kids of Camelot." The senior citizens have been invited to attend at no charge. The play will begin at 1:00 p.m. at the Elementary School.

SPAGHETTI DINNER - On Sunday April 10 at noon, the Sutton Lions Club will host a spa-

ghetti dinner for the senior citizens of Sutton at the Dudley-Gendron Legion Post on Boston Road. This dinner is free and promises to be a repeat of the smashing success it was last year. Please put your name in the COA office for the dinner so that they will know how many to expect.

FRIENDS MEETING - The next scheduled Friends Meeting will be held on Tuesday, April 12, at 12:30. Please plan to attend, your help is needed.

CRAFT CLASS - The number attending the craft class has increased considerably, but there is always room for more people to attend. Those who attend combine sewing with socializing and a coffee hour. Come and enjoy yourself.

ATLANTIC CITY TRIP - The group going to Atlantic City on April 5, 6, and 7, is reminded to be at the Congregational Church parking lot for 7 a.m. We would like you to be there at least 15 minutes ahead of time. We will be leaving promptly at 7:00 a.m.

Spaghetti and Meatball Supper

WORCESTER - A Spaghetti and Meatball Supper will be held at the Quinsigamond United Methodist Church, 9 Stebbin Street (behind the public library), Worcester on April 9, from 5-7 p.m.

Ticket prices are \$5.00 for adults and \$2.00 for children 12 and under. Tickets may be purchased at the door. For more information, call 755-6237.

Woman's Relief Corps Elects Officers

The following are the newly-elected officers of the Woman's Relief Corps, George H. Ward Corps #11, Worcester, who will assume their office during the new year:

President, Leila Bruce
Senior Vice President, Elizabeth Chambers
Treasurer, Celina Breault
Secretary, Josephine Corazza
Chaplain, Exelina Zuidema
Patriotic Instructor, Violet Chaput
Color Bearers, Alice Gonya and Alice Allen
Press Correspondent, Exelina Zuidema
Conductor, Harriet Cofske

The next meeting of Corps #11 is scheduled for April 14 at G.A.R. Hall, 55 Pearl Street, Worcester.

Plans have been made for the 109th An-

nual Convention of the Woman's Relief Corps, Department of Massachusetts, to be held at the Yankee Drummer Inn, April 19, 20, and 21. The Grand Army Banquet will be held Wednesday evening at 6:30 p.m., and will include a presentation of the Flag by the Patriotic Instructor, Mrs. Florence Chapowski.

Historical Society to Hear Civil War Presentation

SUTTON - The monthly meeting of the Sutton Historical Society will be held on Tuesday, April 5th, at 8:00 p.m. at the General Rufus Putnam Hall.

The speaker for the evening will be Devan Kurtz of Spencer, a senior at Wachusett Regional High School. Kurtz is a Civil War history buff and performs local reenactments of the war between the States five or six times a year. He will appear in full Civil War regalia, and bring some interesting artifacts relating to his message.

Refreshments will be served, and the public is welcome to attend.

Volunteers Needed to Deliver Hot Lunches

MILLBURY - Volunteers are urgently needed by the Millbury Council on Aging to deliver hot lunches to the elderly. Routes take approximately one hour and drivers are given \$2.00 per day stipend and 23 cents per mile car allowance. It will be necessary to eliminate one route, affecting 8 to 10 elderly people, if no drivers can be found. Deliveries are made around the lunch hour. Anyone interested in helping is asked to call the COA office at 865-9154 for more information.

Historical Societies Planning Hay Ride

MILLBURY - The Millbury and Sutton Historical Societies will co-host a hay ride on April 10. All members will meet at 2:00 p.m. at the Rufus Putnam Museum in Sutton Center. Following the hay ride, coffee "and" will be served at the museum. Members, and anyone interested in joining the group, are asked to call Mary Lou Mulhane at 865-9831 or Grace Laflash at 865-4563.

Friends Meeting

MILLBURY - The Friends of the Millbury Public Library will meet at 7:00 p.m. on April 7 in the Delia Chapin Torrey Room at the library.

On April 19, at 7:00 p.m., the Friends will sponsor a presentation by John Trexler of the Worcester Horticultural Society on "How to Design a Backyard Wild Flower Garden." There is no fee, but registration is required. Call the library at 865-1181 to register.

Early Childhood Education Grant

MILLBURY - The Millbury Public Schools has announced that it will be submitting a Chapter 188 Early Childhood Education grant. Early Childhood Education planning grants, which are funded up to \$10,000, provide funds to develop early childhood education programs at the community level. These funds can be used to support the formation and work of local advisory councils, for community-wide assessment of early childhood resources and needs, and for the training of parents, public school staff and community providers. If awarded, the planning activities would occur during the 1988-89 school year.

A local Early Childhood Advisory Council is being formed in order to plan for program activities. The advisory council will consist of kindergarten and pre-school teachers, parents, administrators and an early childhood resource advocate. Parents or other community members who are interested in serving on the advisory council or who have questions regarding the Early Childhood Education grant should contact Dr. David Troughton, Curriculum Coordinator, Millbury School Department, 865-9501.

MHS Class of '63 to Hold Reunion

MILLBURY - The Millbury Memorial High School Class of 1963 will hold its 25th Class Reunion on May 28 at the Sheraton Lincoln, Worcester. The following class members have not been located: Michael Girouard, Allen Gregonis, Karen Lund-

gren, Sandra Shaughnessy, Margaret Skidgell, and Kenneth Ricard.

Anyone knowing the whereabouts of any of these individuals, is asked to contact Paula Beauregard at 865-5553.

Assumption School News

By Grace Laflash

Sister Bernadette Sweeney, Principal, extends an invitation to all to attend Assumption School's Open House on April 10, from 2-4 p.m. The Junior High students will conduct a bake sale. Cakes, pies, brownies, and cupcakes will be available.

The students' work will be on display in the classrooms during the open house. Lea Gonya's first graders have prepared their traditional tapes, with each child being recorded while reading a favorite story from the reading program. Penmanship papers will be displayed along with art work from previous months. An arrangement of snapshots of various activities during the school year is also planned.

Audrey Roberts' second graders have completed a project on the weather, including forecaster's reports and a study on the different types of clouds and what they tell us. In addition, the youngsters have illustrated stories from their readers and will also display other art work.

Dorothy Marchessault's third graders' projects include whales (kinds, weights, lengths, where found and special characteristics of each), "Pets are Wonderful," and art work.

Sandra Nearguaard's fourth graders will have an array of projects pertaining to religion. These will include Marian pic-to-graphs, banners of the Ten Commandments (paraphrased), and an Easter montage. Also displayed will be two fancy lettering projects, the children's names in practice lettering, and the V.F.W. poster contest entries, "My Future as an American."

Patricia Weir, computer teacher, will be in the IBM Writing to Read Lab from 2-3 p.m. and in the Apple Lab from 3-4 p.m.

In the Writing to Read Lab, the first graders and their parents will be able to experience the five stations. They can explore at the computers, play word games, write a story, and type on the word processors. Samples of the children's writing will be in the lab.

In the Apple Lab, students in grades 2-4 will demonstrate what they have learned about the computer language "Logo." Grade 2 will be showing their Delta Drawing programs saved on their disks. Grades 3 and 4 will be demonstrating how we use the Logo Language to communicate with the computer.

On The Shelf

By Rosemary Waltons

It's easy to get enthralled with all the new types of materials and equipment that the Millbury Public Library has added to its collection. In 1987, the library added significantly to its video cassette collection and began circulating a video cassette playback unit and 16mm projector. Since the beginning of this year, audio cassettes, both musical and books on cassette tapes, have been added to the collection. The children's read along book/cassette collection has been dramatically expanded as well. Computer software is also a recent addition.

"But make no mistake," the library, with all its various formats, still has its feet firmly entrenched in the world of good books. The printed word remains at the heart of the tradition of library services in Millbury.

The library's collection of books is made up primarily of popular fiction and nonfiction. At anytime during the year, you'll find almost every book on the best seller list for fiction and nonfiction in the library's collection. You'll find both paperback and hardcover best sellers. Best sellers, along with other new popular titles, are easily located in the library's "new books" section.

For both student and adult information seekers, the library has a reference collection to meet the needs of students through grade twelve and the general information needs of adults. Students can also find assignment-related books in the circulating collection.

Fiction lovers can browse in our general fiction and nonfiction stacks, the home of past best sellers and other popular reading books. Within the general fiction section, you'll also find the library's special collection of paperback, romance, mystery, science fiction, western and large print books.

Because we know that teens like their fiction in paperback, we have a collection of popular teen titles in paperback along with a selection of hardback titles as well. In addition, teens will find multiple copies of the classics that they need for school.

On our shelves in the children's room, children and parents alike will find books to inform and delight. They can have their pick of books in the library's picture book, easy reader, and fiction sections. Children through grade six have a collection of nonfiction and reference materials suited to their interests, assignment needs, and reading levels. Parents will appreciate our "parents' shelf," also located in the children's room, which includes books to help them guide their children through all the stages of childhood and the issues and crises that children must face.

To help get our books in the hands of

people, the library also has book deposit collections throughout the community. These are located in Millbury's three senior housing complexes and two nursing homes. A deposit collection is also planned for the Town's Youth Center.

Are you a reader, but have shied away from the library for one reason or another? You should know that as a Millbury resident, even a temporary resident, you can get a library card free of charge. If you're not a resident of the Town, you can still borrow books and other materials on the Massachusetts public library card you do have. We make it easy for you to borrow and return books with day, night, and Saturday hours, and a convenient curbside book return box.

MILLBURY ELECTIONS

John Potter Announces Candidacy

MILLBURY - John R. Potter of 30 Dorothy Road has announced that he is seeking election to a three-year seat as a Millbury Library Trustee in the annual Town election, April 26.

Potter, a former resident of Barre, MA, has lived in Millbury since 1974. He is married to the former Pamela Bisel and they have three sons attending Millbury elementary schools.

Potter is a graduate of Quinsigamond Community College and Clark University. He is a Central Office Technician for the New England Telephone Company. At New England Telephone, he is active in the Telephone Pioneer's Club and the Employee Assistance Program.

In announcing his candidacy, Potter said, "The town library is an important part of our overall educational environment. As an educational focal point, we must maintain the already high standards of this fine institution, making it a valuable resource for all the residents of Millbury."

Pamela Potter Seeks Election to School Committee

MILLBURY - Pamela J. Potter, the former Pamela Bisel, has announced her candidacy for election to a three-year seat on the Millbury School Committee in the annual town election, April 26.

A lifelong resident of Millbury, Mrs. Potter lives at 30 Dorothy Road with her husband John and their three elementary school-age sons: Mark, Daniel, and Ryan.

Mrs. Potter is a 1970 graduate of Millbury High School and a 1974 graduate of Framingham State College. She is employed part-time as a registered Medical Technologist at the Worcester Memorial Hospital where she is an active member of the Laboratory Safety Committee, working to develop guidelines for the protection of health workers from infectious diseases.

Mrs. Potter is a member of the School Connection, and has been a R.E.D. (Read Every Day) volunteer for the past two years at the Elmwood Street School.

In announcing her candidacy, Mrs. Potter stated that she feels Millbury's most valuable asset is its youth. She also said that, through her volunteer work at the school, she has had the opportunity to meet many of the town's children and has enjoyed their enthusiasm and excitement.

According to Mrs. Potter, "All children have a gift and each should be given the opportunity to develop to his or her fullest potential."

Mrs. Potter stated that Millbury is fortunate

to have many excellent and dynamic teachers in its schools. She also added that education is the responsibility of both teachers and parents. "It's time to stop blaming our teachers for decreasing test scores and accept some of the blame ourselves as parents. The increasing number of two-income families has decreased the amount of time parents spend educating their children."

Mrs. Potter also feels that, if an interest exists, parent involvement should be encouraged.

Ronald Brewer Seeks Election to Housing Authority

MILLBURY - Ronald F. Brewer, of 2 Pearl Street, has announced his candidacy for election to a one-year term on the Millbury Housing Authority.

A life-long resident of Millbury, Brewer was a barber in town for 25 years. He served on the Millbury Parks Commission, acting as Chairman for five years, and also served as President of the Millbury Pee Wee Basketball League.

Brewer presently serves as Chairman of the Tenant's Association at Linden Apartments.

CANDIDATES PLEASE NOTE

The deadline for submitting unpaid political announcements to the Millbury-Sutton Chronicle for the Millbury and Sutton Town elections is Saturday, April 2.

Photos may be included with your announcement. Please include a stamped, self-addressed envelope if you would like your photo returned.

Teen Art Show Winner Announced

MILLBURY - The Millbury Public Library has announced that John Walkonen is the winner of its 1988 Teen Art Show contest. John received five rock albums donated by WICN Radio 9.5 FM. On hand to present them to John was WICN's general manager, Tom Devlin.

John is a talented 17-year-old senior at Millbury High School. At the present time, he is considering attending Framingham State College and majoring in liberal arts. John was also recently awarded the Boston Globe's Gold Key Award for his art work.

The library would like to thank all the teens who participated in this second annual Teen Art Show. A special thank you to WICN radio and Millbury High art teacher Gail Fairbanks, for their support and enthusiasm.

The public can view the art work of the many talented Middle School and High School students through April 2nd.

...with no-interest HEAT Loans from MCU!

A new heating system...insulation...storm and replacement windows...caulking—if you meet certain family income requirements and want to make your home more energy efficient, you're eligible for a *no-interest* HEAT Loan from the Millbury Credit Union.

In cooperation with the Fair Share Development Corporation and the Massachusetts Executive Office of Energy Resources, MCU can help eligible borrowers with *no-interest* HEAT loans. The loan can be as long as five years, and the HEAT Program will pay up to \$4,000 in interest charges, or the total interest payment, whichever is less.

It may be warm now...and oil may be cheap...but winter is coming! For information about the HEAT Program, visit the Millbury Credit Union, and...
